Sage Hills Golf & RV Resort is a championship golf course offering challenging tournaments, family and social events, great food and drink beverages and awesome camping and outdoor activities. Make Sage Hills your next destination.

The Columbia Basin is a recreation destination with large, fresh lakes, great for fishing and water related activities. This area also has some of the best and award-winning wineries in Washington state. If that is not enough there are several other attractions such as the Fish and Wildlife Reserve, several community festivals all year round and not to mention a great central location to other attractions in Central Washington.
